THE PIQUONIAN

Class of 1963

PIQUA CENTRAL HIGH SCHOOL

PIQUA, OHIO

DEDICATION

For his unusual intelligence, his wide knowledge, his keen understanding and his original style of humor, the Class of 1963 of Piqua Central High School dedicates this annual to Mr. Wendell Carter.

Besides teaching World History, American History, and Senior Social Studies; acting as cross country coach, serving as adviser for Acomodadores and the Junior-Senior Prom, and Assistant Dramatics Director, Mr. Carter is an authority on the Civil War.

Mr. Carter's contributions to the school and the student body cannot properly be appraised in written words. The students of Piqua Central can only thank him for his tireless work and dedicate this annual to show their heartfelt appreciation.

"A teacher affects eternity; he can never tell where his influence stops."

The Class of 1963 presents this Piquonian
in memory of
Robert V. Beatty

OUR ONE-HUNDRETH ANNIVERSARY

THE class of 1963 is the one-hundredth class to be graduated from Piqua Central High School. It is for this reason that these two pages at the end of the senior section of this annual are dedicated to the class of 1963.

It is fitting at this time to give a brief history of Piqua Central High School. There have been three public high schools built since the mid 1850's—all on the present location, at the intersection of High and College Streets, in the central part of our city.

The construction of the first high school was started in 1854, on land secured from Mathew Caldwell, and the building was completed in 1856. It was a three story building, housing the sixth through the twelfth grades. A. G. Chambers was Piqua's first high school principal and superintendent.

The second high school was built in 1884, while C. W. Bennett was superintendent. This building also contained three stories.

The present building was erected in 1914 during the administration of George C. Dietrich. This building is, like the others in the past, a three story structure.

In 1938, a major remodeling program took place in which many changes were made on the second and third floors. In 1949, under the administration of C. M. Sims, an extension was added to the rear of the building. This included the Trades and Industry Department and the music room. In the spring of 1955, construction began for a new Physics Laboratory and Chemistry Laboratory and the music room was expanded as a result. This 1955 construction took place during the administration of W. F. Hoerner.

The 1963 seniors can look back one hundred years, trace the history of their school and relate it to others with pride.

UNDER the leadership of its officers and adviser, Mr. Wendell Carter, the junior class of nineteen sixty-three worked hard on various projects, making the preparation for the Junior-Senior Prom its main goal. These projects consisted of the presentation of the junior class play entitled "Spring Fever" and the selling of boxes of candy and tins of cookies. With funds obtained from these activities the class carefully planned the main social event of the year.

With an increase in the number of French students, the French Club expanded again this year. Mr. Wincent, the adviser, helped the club organize and required that the representatives in each class report to the students concerning topics of council discussion. He showed slides and led discussions pertaining to his travels in France and the group did Christmas Carolling, singing their carols in French.

Active along with the French Club in advancing the knowledge of French customs, songs, and history, both past and present, is "Entre Nous," le petit journal published by the students. This journal was issued periodically under the supervision of Nanette Brush. This has been another active year for the French students, enriched by the French Club activities.

SPANISH CLUB

"El Club de Espanol", under the supervision of el Senor Robert Richardson, is composed of any Piqua Central High School Spanish Student desiring to participate in its activities. The club enjoyed a pot luck dinner before Christmas at the home of a member. Here small "regalos" were exchanged and "las canciones de Espana" added to the Christmas festivities. At another meeting officers were nominated by all Spanish classes and voted on by the members of the club. Miss Walda Gard, serving as student teacher under "el Profesor Richardson" for the first semester, attended and participated in the club's activities. Vacation films were shown at one of the meetings by Mr. Richardson. All members enjoyed a year of fun with the Spanish Club.

Also they compiled the lunch count from data provided by the first period classes and reported the results to the cooks, making it possible for them to prepare the proper number of lunches.

The office assistants recorded the daily absences on the permanent attendance records, prepared the six weeks grade sheets, and did many other odd jobs pertaining to the school office.

These assistants were under the supervision of Mrs. Margaret Slaughter and Miss Ella Farley.

Although the track squad lost many fine seniors last year, it has managed to keep and gain many good performers. The team has had considerable depth in many events. School records were broken by Rollin Karnehm in the mile run and by a team consisting of Karnehm, Cooper, Gillmore and Erhardt in the two-mile relay. Head coach, Richard Pearson, and assistant coach, Wendell Carter, deserve much credit and admiration for their work and devotion. Under these men, the team gained valuable experience and gradually extended their abilities.

Coach Paul Faehl

The golf team, coached by Paul Faehl, was made up of eight boys this year. Since only one of these was a senior, the team lacked much needed experience. Even though this was true, the team was able to score some substantial wins.

COACHING STAFF

Row 1: Coach Jim Hardman, G. P. Wertz, Athletic Director; Coaches Paul Faehl, Dick Pearson.

Row 2: Coaches Watson Farrar, Warren Campbell, George Chalou, Joe Balassone.

Rigorous training, good spirit, and team cooperation are the qualities displayed by Piqua Central's sports-minded boys each year.

The efforts of the Piqua High School Coaches have produced remarkable improvement in the boys this year and each season the boys athletic program climbs forward to more victories for a fine school record.

Piqua High School Coaches devote many hours to athletics in order to build the character and responsibilities of our future citizens. Without their guidance and supervision the athletic program would undoubtedly be non-existent.

Piqua Central is thankful for the services of these men and hope that they will continue to lead our teams on to victory.

The Cheer Club consisted of sophomore, junior, and senior girls and boys who were willing to support the sports of the school. This group had as its sponsor, Miss Janice Jackson.

During the football season the club participated in two pep rallies at Fun Acres and took chartered buses to some out-of-town games.

During basketball season the group sponsored a poster contest for the Troy game, sold stationery to obtain necessary funds, and made a victory train which was placed in the study hall. The names of high scorers were placed on it.

For the first time this year Indian head emblems were given to all members who earned 200 points. For earning these points, attendance at games and meetings, and work on committees was important.
